Ministry of Education and Training
Ho Chi Minh City University of Technology
Faculty of Electrical and Electronics Engineering

Course: Electronic Circuits
Code: 2000
Credits: 3
Lecture: 45 hours **Exercise:** 0 hours **Lab:** 0 hours **Project:** 0 hours **Self-study:** 90 hours

Pre-requisite: Electrical Circuits **Code:** 1000

Co-requisite: None **Code:** None

Goals:

Students can understand the principles of operation and analysis of electronic circuits.
